

Please keep KLove going on the FM stations. Of all the stations available on any signal, KLOVE is by far the best thing out there. I have a 5 yr old son and what else is there that I would want him to listen to? What do I want him to walk around singing? Not rap, country or rock. KLOVE provides phone support for those hurting and in need. They provide a positive and definately encouraging word, as well as music. It is the ONLY station I have listened to for the past 3 years. My son and I would be very sad to see KLOVE removed from our radio. Think of all the people that are reached and reconsider taking them off the air. Thank you for your time.
